ERVING SCHOOL COMMITTEE
POLICY REVISION AND REVIEW

In an effort to keep its written policies up to date so that they can be used consistently as a basis for School Committee action and administrative decision, the Committee will review its policies as needed.

The Committee will evaluate how the policies have been executed and will weigh the results. It will rely on the school staff, students, and the community for providing evidence of the effect of the policies it has adopted.

The Superintendent is given the continuing commission of calling to the Committee's attention all policies that are out of date or for other reason appear to need revision and to ensure that all policy and regulation manuals are up to date.
