## MONTE'S MARCH

On November 21<sup>st</sup>, the second graders committed to helping their community in a beautiful way. They marched to show their support for their belief that **EVERYONE** deserves food no matter their situation. They marched around our school campus holding handmade signs to support the work of The Food Bank of Western Massachusetts. As complex as life can be for each of us, it's heartwarming to see this new generation of humans connected to their work and driven to make the world a better place. What an amazing moment to be thankful for as we reflect together this season.

Mrs. Barry joined the march in Hadley to represent these amazingly generous kiddos. It felt SO good to share their love with those who marched from Hadley to Greenfield.

## KINDERGARTEN NEWS

The kindergarteners have been thinking and talking about the Erving community; and are excited to plan a walking field trip to the senior center later this month. To get ready we talked about princess pine (or ground pine) and about responsible ways to harvest it so that we could make a wreath to give to the center.
